

Endorsement Number 22

Operative Condition – Babtac and BYONIK Pulse Triggered Laser

It is noted and agreed that Policy condition 16 (g), is deleted and hereby replaced with the following:

The Insured and/or any authorised employee as defined must hold a level 3 or above beauty therapist qualification or be a qualified Doctor, Nurse or other health professional as agreed by Balens to use the above device.

All practitioners must also hold manufacturers training and only use the equipment that is designed for this purpose and which is regularly serviced and maintained.
